Dear Parents and Carers,

It has been lovely to welcome all children and families back this week for the start of the summer term. It has been a busy term already!

You might have seen the work being finished in our playground. During the Easter break we had another section of our playground resurfaced and new trim trail equipment installed. The last of the work was to replace the soft surface under the new equipment. It looks very smart! After a 24-hour drying period, it will hopefully be ready to use next week. We also had carpets replaced in all the Key Stage 2 classrooms.

Friends of Samarès

All parents were sent a letter earlier this week about the re-launch of the Friends of Samarès - our school PTA. We really hope you will consider being a part of our plans to have a new PTA at Samarès School which will benefit the whole school community. There is a meeting for all parents on Thursday 2nd May at 3.15pm in the school hall for anyone who would like to find out more or know how to support.

Pop Up Library

We are continuing our sessions on a Monday after school where Jersey Library are providing a pop-up library in Pathways. All families are welcome to attend from 3pm – 3.30pm where they can borrow and return books. You don't need a library card - you can just turn up.

Nature Base

Naturebase.je are holding their next pop-up session at Les Marais (green space) on Tuesday 23rd April at 9.30am. This session is suitable for children aged 1-3 years but please do bring along any baby siblings, all completely free of charge. Come and join Sophie with your child for some fantastic outdoor play activities.
